

Li-ion Battery

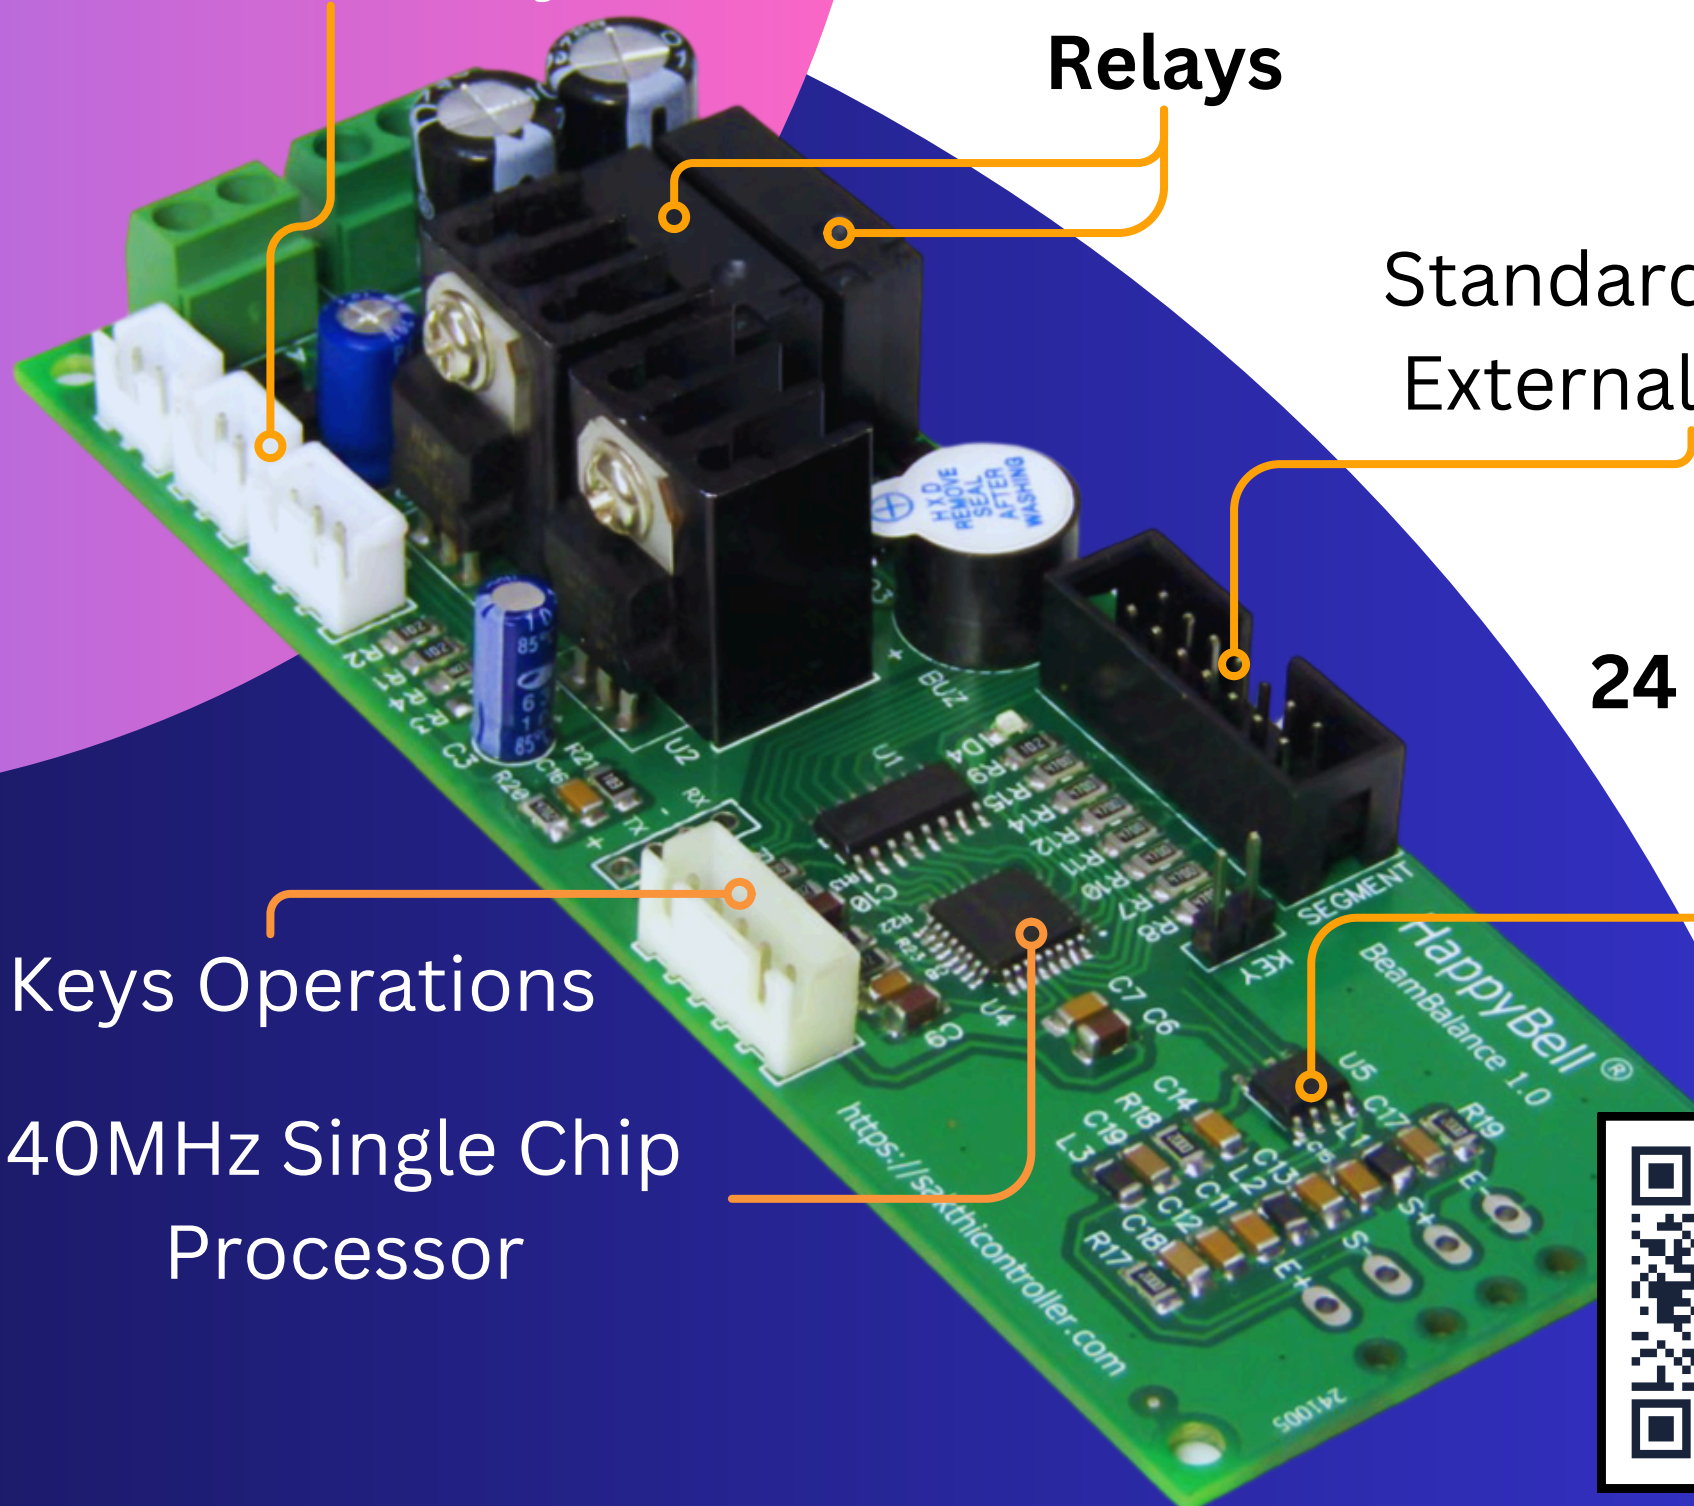

Coarse Fine  
Relays

Standard FRC for  
External Display

24 bit ADC

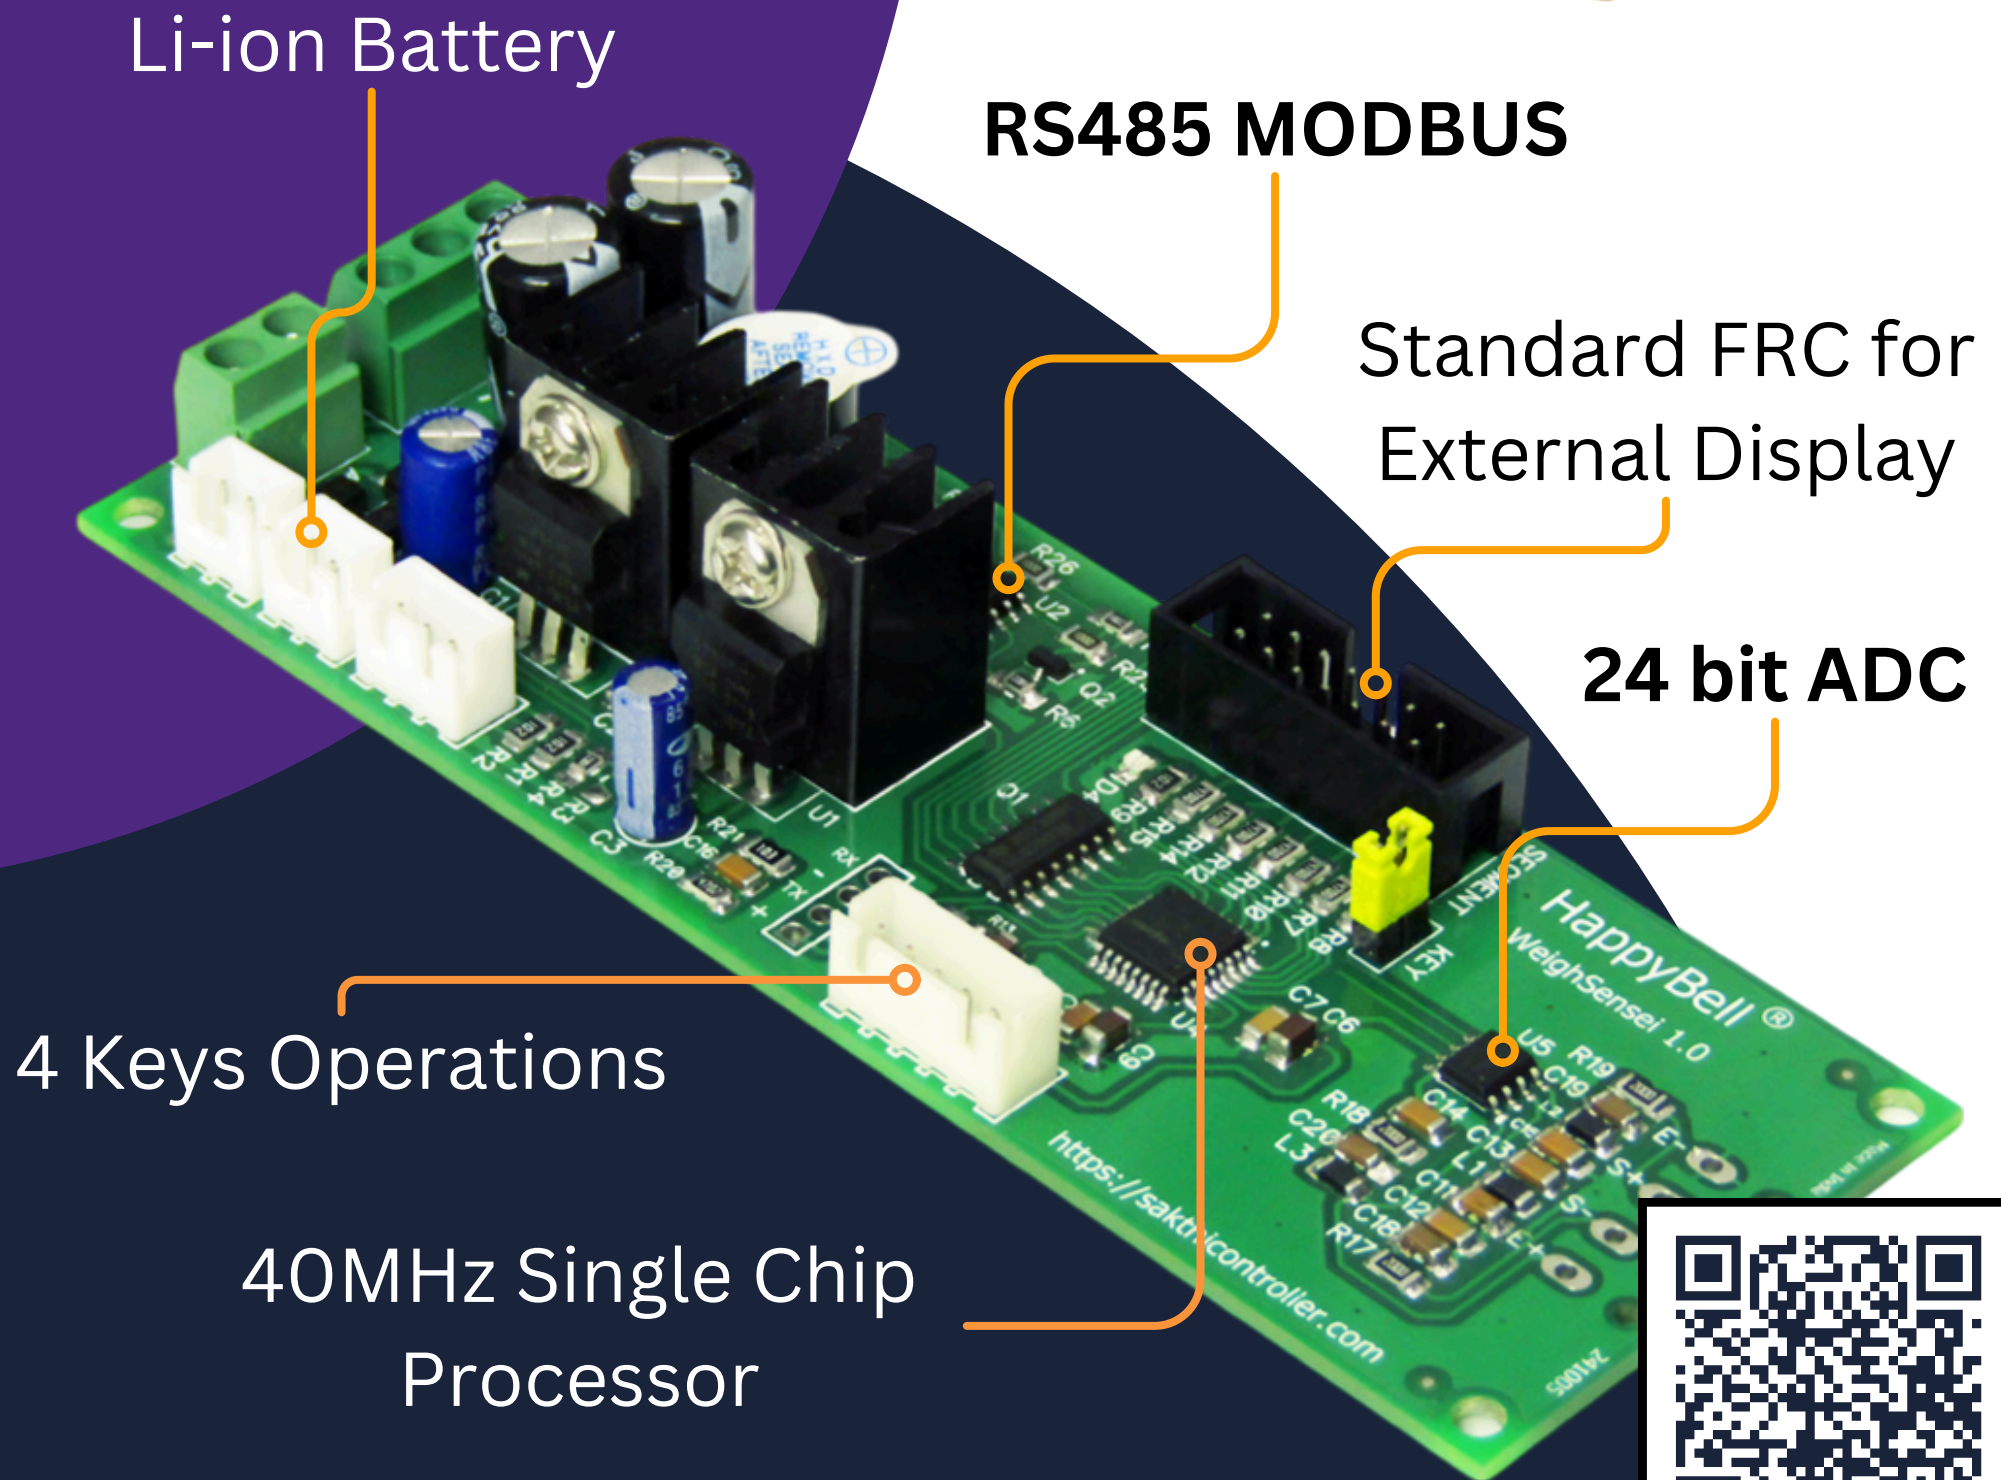

4 Keys Operations

40MHz Single Chip  
Processor

# BeamBalance

FOR PACKAGING AUTOMATION

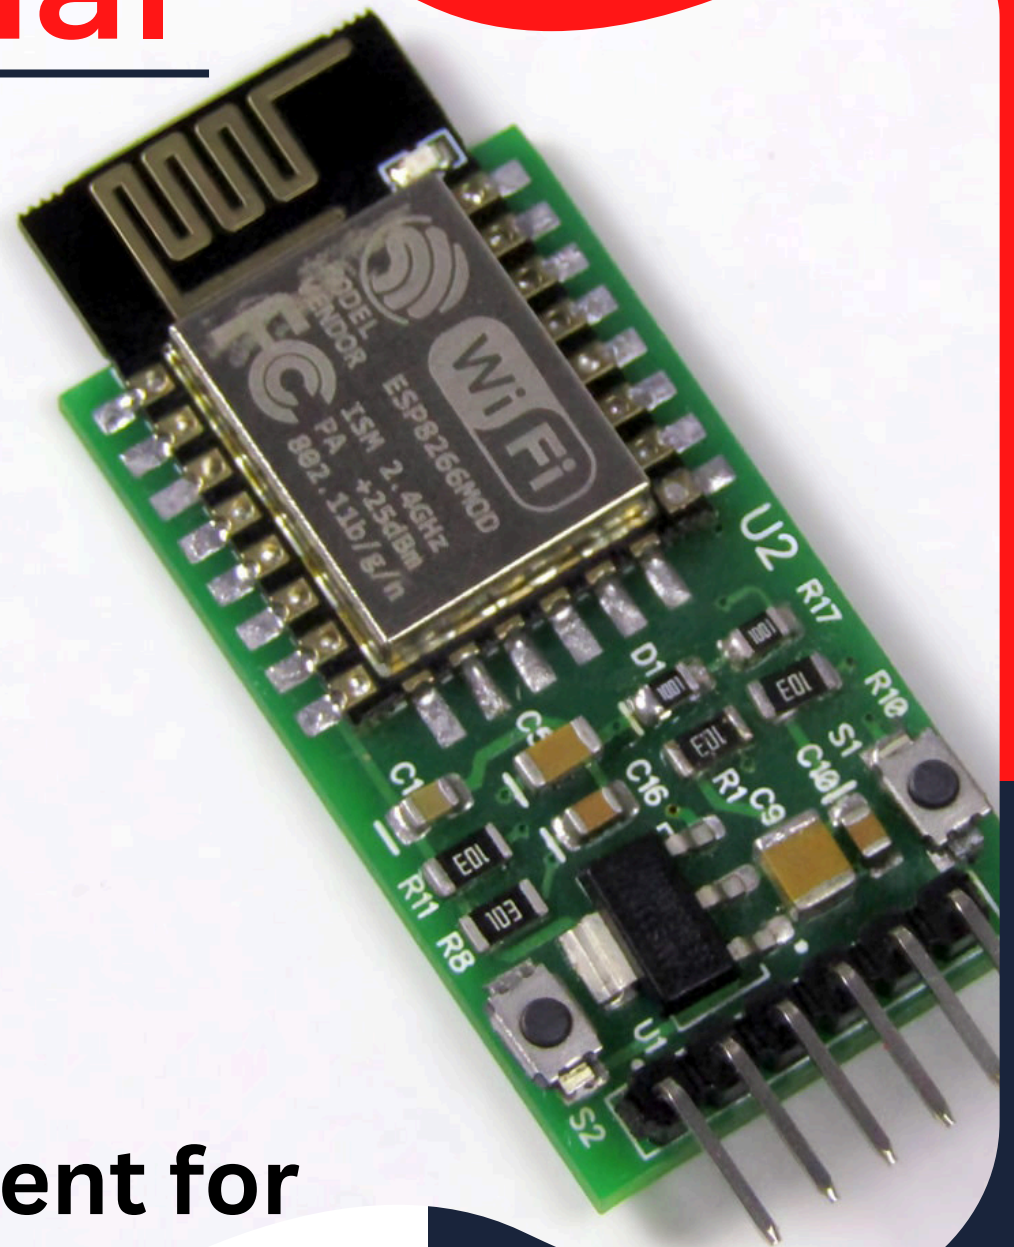

# WeighSensei

FOR INDUSTRIAL AUTOMATION

# WiFi to Serial

## KEY FEATURES

- **Versatile Network Topologies:**  
Supports star, hub, peer-to-peer, and custom setups.
- **Web-Based Configuration:**  
Configure WiFi, serial parameters, and packet handling via any browser
- **Serial Communication Flexibility:**  
Baud rates up to 230400.

**Best Replacement for  
HC-05 to WiFi**
